*The Willows Boutique now offers
Designer Purse & Jewelry Parties!*

Our designer purse and jewelry parties are similar to the in-home parties that have become so popular, except they are in the store and are with our fantastic products! Just think - all the fun of an in-home party without the house cleaning, and with the excitement of having a store all to yourself!

A few details:

- Parties are run after normal business hours
- Parties are done on a reservation basis
- You can bring your own food & drink, or have the Cobblestone cater!
- There is a party minimum of 10 people
- *We even offer special party incentives!*

*Call the store for more details,
and start planning your party today!*
